Friday February 28 at 6pm
Taruna College Korimako Hall
33 Te Mata Peak Road
Havelock North

Eurythmy is a powerful and unique art that has been further developed through work by Rudolf Steiner, physicians, and eurythmists into a movement form with possibilities for healing the imbalances underlying illness.

We invite you to join us for a talk on this therapeutic art which launches our weekend workshops for 2025 and the Art of Curative Eurythmy course.

Entrance: \$20

For more information on our weekend course An Introduction to the Art of Curative Eurythmy please email: jw021320850@gmail.com
