

Resonant Healing: The Therapeutic Art of Eurythmy

Speaker: Dr Richard Drexel

Friday September 6 at 6pm
Taruna College Korimako Hall
33 Te Mata Peak Road
Havelock North

Eurythmy is a powerful and unique art that has been further developed through work by Rudolf Steiner, physicians, and eurythmists into a movement form with possibilities for healing the imbalances underlying illness.

We invite you to join us for an introductory talk on this therapeutic art. The talk also launches our weekend workshop into the Art of Curative Eurythmy.

Entrance: \$20
